

# Zoom Updates: Version 5.6.3 - 5.7.4

Feature	Older versions of Zoom	Version 5.6.3 - Version 5.7.4
<b>Meeting layout/Virtual Backgrounds</b>	<ul style="list-style-type: none"> <li>- Host and participants can only choose “Gallery View” and “Speaker View” as the meeting layout</li> </ul>	<p><i>(Version 5.6.3 or later)</i></p> <ul style="list-style-type: none"> <li>- Added “Immersive View” meeting layout. Hosts have the option to automatically or manually place participants into a virtual scene of their choosing               <ul style="list-style-type: none"> <li>o Participants using a version before 5.6.3 will see other participants in Gallery View or Speaker View with a simple black background.</li> <li>o Others using version 5.6.3 or later will view unsupported participants in the Immersive View scene with their original backgrounds</li> </ul> </li> </ul>
<b>Meeting Recordings (in-meeting)</b>		<ul style="list-style-type: none"> <li>- Participants will be prompted to consent to being recorded in a meeting</li> <li>- When a participant joins a meeting that is already being recorded, their video will be turned off and they will be muted. After consenting to the recording prompt, they will be able to unmute and turn on their video, if the host allows them to</li> </ul>
<b>Meeting Recordings (post-meeting)</b>		<ul style="list-style-type: none"> <li>- Hosts can enable Recording Highlights. Zoom will automatically highlight the important segments of a recording. Hosts can modify highlighted sections and generate a separate video clip of these sections. Viewers of the recording can see the highlighted sections and the audio transcript               <ul style="list-style-type: none"> <li>o Cloud recording and audio transcription are required to be enabled to use this feature</li> </ul> </li> </ul>
<b>“Join before Host” Setting</b>		<ul style="list-style-type: none"> <li>- The amount of time participants can join the meeting before the meeting start time can be modified in the Zoom web portal</li> </ul>
<b>Screen Sharing/Breakout Rooms</b>	<ul style="list-style-type: none"> <li>- Hosts and co-hosts cannot share their screen to all active Breakout Rooms</li> </ul>	<p><i>(Version 5.7.0 or later)</i></p> <ul style="list-style-type: none"> <li>- Host or co-host can share their screen to all active Breakout Rooms               <ul style="list-style-type: none"> <li>o Both the host and participants must be on version 5.7.0 or later for this to work</li> </ul> </li> </ul>

<p><b>Post-meeting Survey</b></p>	<ul style="list-style-type: none"> <li>- Host cannot create a survey to launch at the end of a meeting</li> <li>- Participants cannot complete a survey launched after a meeting</li> </ul>	<p><i>(Version 5.7.3 or later)</i></p> <ul style="list-style-type: none"> <li>- Hosts can create a survey to launch at the end of a meeting. Meeting participants will be prompted with the survey once they leave the meeting or the meeting ends <ul style="list-style-type: none"> <li>o Both the host and participants must be on version 5.7.3 or later for this to work</li> </ul> </li> </ul>
<p><b>Non-verbal Feedback/ Reactions</b></p>	<ul style="list-style-type: none"> <li>- Participants cannot use the “Coffee Cup” non-verbal feedback option</li> </ul>	<p><i>(Version 5.7.3 or later)</i></p> <ul style="list-style-type: none"> <li>- Added “Coffee Cup” option in Reactions. This indicates a participant is temporarily away from the meeting and will stay up permanently until removed <ul style="list-style-type: none"> <li>o This feature will not be seen by users who are not on version 5.7.3 or later</li> </ul> </li> </ul>

**Note: Some features may require the participants (e.g., students) to also be on the newer version of Zoom in order for it to work.**
